

Vermont Structural Unfading Mottled Slate

Wallace International

slate
uk

Like our top of the range Vermont Structural Unfading Green Slate, this slate has been specified and used on many prestigious buildings.

The subtle mottled colours give the roof a stunning aged appearance of a traditional old green slate roof. If you are looking for a truly unique slate of a quality to match the best in the world. This slate has to be the choice.

Vermont Structural Unfading Mottled is exclusively available from
