

Estillo 29 Slate

Estillo 29 Blue Black is a medium textured slate, ideal for projects requiring authentic styling, as well as modern architectural projects.

The Slate is quarried and produced in the Casayo region of Northern Spain. The Quarry rigorously test the slate to the European BSEN12326-1: 2004 standards - attaining A1, T1, and S1 certification.

Estillo 29 is available in seasonal thickness selection grades: Heavy, which is 8-10mm, Prime Heavy 6-8mm, Prime, 6mm, and Premium, 5-7mm. This range of well-structured specifications gives Estillo 29 the versatility to provide the correct aesthetics for virtually any type of project.
